MEMORANDUM

TO: Members of the Commission of Fine Arts

FROM: Charles H. Atherton, Secretary *CAH*

SUBJECT: Shipstead-Luce Act and Old Georgetown Act Cases.

Enclosed are the appendices listing recommended actions for Commission approval, which would have been ratified at the Commission's March meeting. Because the meeting in March has been canceled and because the Commission is required to act within a limited time period, I am circulating this list for your review and comment. This way, any delays to the applicant should be avoided.

The Old Georgetown Board and the staff have carefully studied each case for the Georgetown and Shipstead-Luce appendices respectively and note that these cases are in line with the regular body of actions the Commission has rendered in the past. If you have any questions on any particular project, we will be happy to supply additional information.

Please indicate whether or not you approve, and return to us ASAP in the enclosed envelope.
